23rd April 2012

TOTs Global Linkages Clothing Industry Training Authority (CITA) Hong Kong Sri Lanka Institute of Textile and Apparel (SLITA)

• TOTs bring in international expertise

ATDC-SMART Training of Trainers' (TOT) Academies have been set up to bring in global expertise and hold workshops with renowned experts from India and abroad to impart the latest skills to trainers

ATDC-CITA

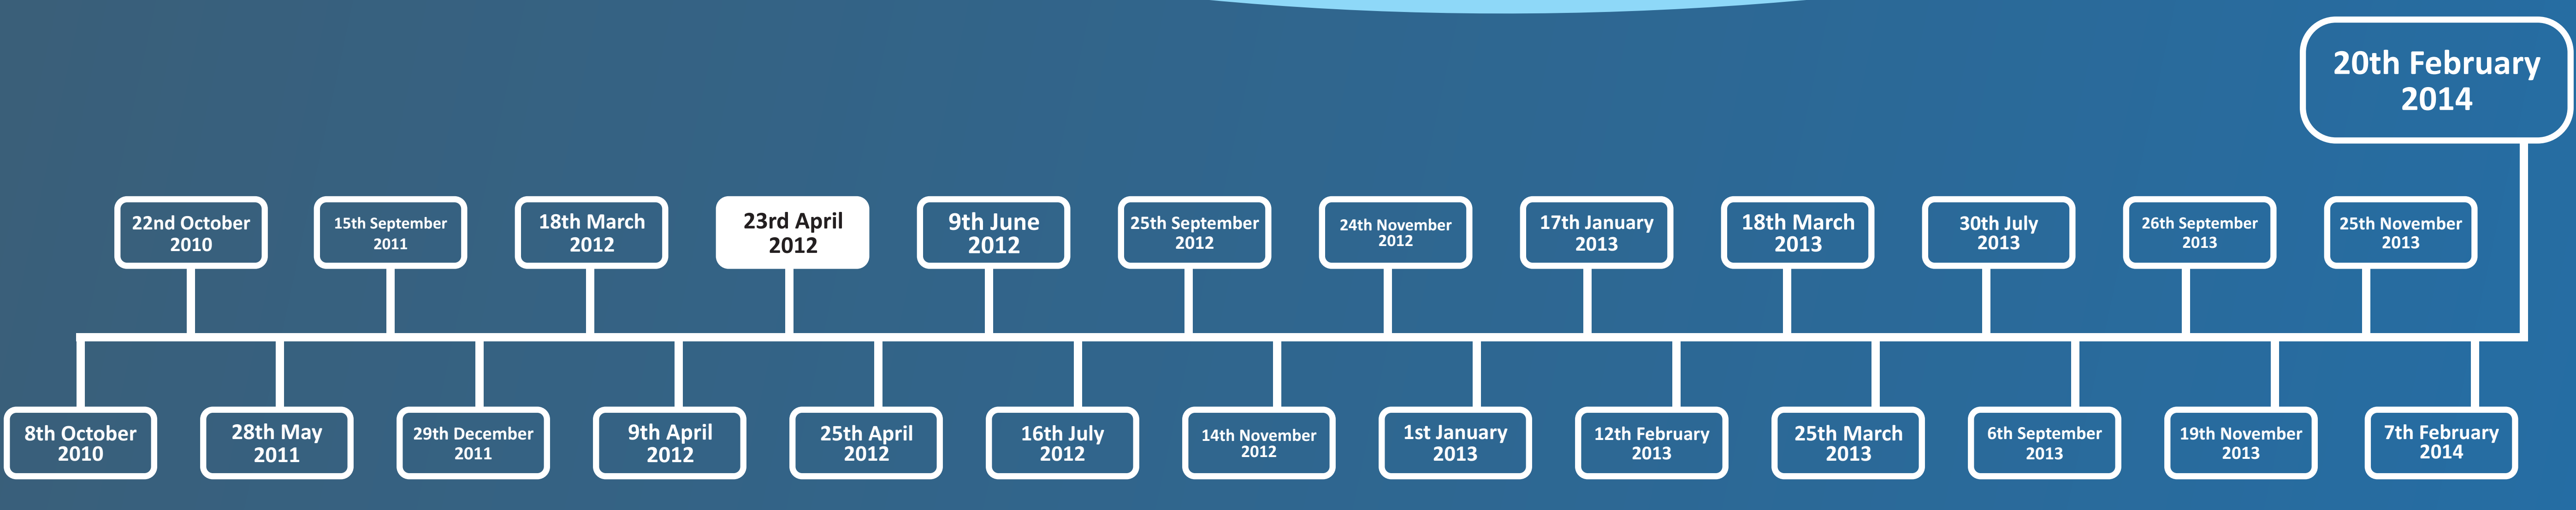

ATDC-SMART TOT Academy in collaboration with Clothing Industry Training Authorities (CITA) Hong Kong organised a series of training programmes in Gurgaon (North), Bangalore (South) and Chhindwara (West). The nine-day programme deliberated on 'Sim Factory – A Computerized Coaching System for Sewing Line Management', concept of 'Sewing Training and Engineering', 'Sustainability in the Textile and Clothing Industry' and the 'Higg Index'. A total of 90 participants – 60 from ATDC Faculty Resources and 30 from various Apparel Export Units – were trained under the above ATDC-CITA collaborative training programmes

ATDC-SLITA

Gurgaon TOT Academy organised a five-day workshop titled 'Work Study Techniques' in collaboration with the Sri Lanka Institute of Textile and Apparel (SLITA), with 25 ATDC trainers and industry professionals participating. The sessions focused on how to measure work, how to create the production line, assign operations on a scientific basis to minimise loss and maximise output, streamlining production line and enhancing productivity.
