

SHAMSHABAD COMES UNDER SKILL UMBRELLA

With an aim to help under-privileged women acquire skill sets that would enable them to earn employment and uplift their social status, ATDC opened a new Skill Camp at Shamshabad in Ranga Reddy district, Andhra Pradesh, recently. With support from GMR Varalakshmi Foundation (GMRVF), the Skill Camp was inaugurated by Shri K.V. Satyanarayana, IAS, Director, Handlooms & Textiles, Apparel Export Park. The apparel industry is the highest employment generation sector in the country but the sector at the moment is facing shortage of skilled labourers.

“I am sure ATDC Skill Camp would not only change the lives of many underprivileged women but also provide skilled labour to the sector in and around Hyderabad,” Satyanarayana
