ATDC's North East Students working efficiently with Neetee Clothing, Gurgaon

"I am attaching herein the images of our Sewing operator trainees from Manipur and Arunachal Pradesh. We hired our first batch of 13 Trainees from ATDC-Imphal in September 2013. And currently we are running a floor with 45 female trainees from North-east. Our experience of working with them is very good. They all are very sincere and hard working employees. Our aim is to run a complete floor with north-east candidates with the help of ATDC- Imphal.

Our company take special care of these north eastern trainees. Here are the facilities which we are provide .

1. A fully furnished hostel in posh area of Gurgaon
2. Pick and drop service from Hostel to company
3. A Security guard at their hostel for security
4. A lady guard at factory for their help and to give them medical assistance
5. Medical facilities, company vehicle and on the call doctor service for their health related issues
6. In regular interval we take them to a tour to Delhi and nearby places . Recently we took all the 45 females to NORTH EAST FESTIVAL -2014 held at DELHI

We are happy working with north -east trainees and we thank to ATDC Imphal for all their help and support."
