Apparel Training & Design Centre

ATDC under the aegis of AEPC is Registered as a Society under Societies Act in 1991. ATDC, was approved as a Nodal Agency by the Ministry of Textiles, Gov in the year 2010 for implementing Integrated Skill Development Scheme (ISDS) of the Ministry of Textiles, Government of India and by training over 4,00,000+ candidates under ISDS and during the decade. ATDC participates in RFP of various Central and State Government Agencies in 22 states across India including the State Skill Missions, NSDC, MSD&E etc. In the last decade over 4,00,000+ candidates have been trained through ATDC Pan-India network of about 85 centres with about 78% wage placements.

For a country of India's size, 'demonstrable' and 'employable' skills have become critically important. The Textile and Apparel industry, being spread far and wide in every nook and corner of the country, not only provides wage and self-employment to millions of people but also has the capacity to transform many clusters of the rural economy into 'Apparel Industry Driven' if properly nurtured. The ATDC is a dedicated Vocational Training Provider and has the largest number of directly run Training Centers for the Apparel Sector and is the single largest Pan-India Training Provider for a specific Vocational Trade in India. ATDC's Vision is encapsulated in "Imparting Skills, Improving Lives & Innovating Future".
